## TESTIMONIALS:

What an extraordinary end result you have produced Jo! Congratulations, on a wonderful presentation, which clearly shows your commitment and dedication to the class. I would love to see your restaurant come to life. The celebration of Art within your project is the first step of you becoming an amazing conceptual designer. Please do keep in touch in the future, and be proud of your portfolio, you are not just a graduate of design, but a designer!

Despina Lykopandis- Boutique Hotel Design

Thank you for your submission files Jo. What very kind words! It's been a delight having you in my AD4 class and an honour to be a small part of your creative journey! You have delivered a fantastic Hawthorn Project design proposal, final presentation and supporting documentation. You have carried your bright positive attitude right to the very finish the course. You have shown passion for great design and a drive to become the best you can be. I look forward to seeing you achieve great things in the future Jo! Cheers to your "getting out there and putting it all into practice"
